Livestock Auction

**SATURDAY,
SEPTEMBER 2, 2023**

PURPOSE OF THE AUCTION

The purchase of an auction animal provides a two-fold benefit to encourage junior exhibitors. The immediate benefit is to motivate 4-H exhibitors to learn and excel in the business of raising and fitting their animals. Proceeds from the sale of projects often fund college educations, enhancing the ability of these youth to contribute to their communities.

As a buyer, your participation in the sale recognizes youth for the time, expense, and effort that has gone into raising an animal for market. When you purchase a market animal from a Junior Livestock exhibitor, you're buying home-grown, high-quality, and flavorful meat. Your support of the Junior Livestock Auction also benefits the NAJLA Scholarship Program, which aids students in pursuing their undergraduate degrees.

Please support the Junior Livestock Auction and invest in the youth of Coconino County 4-H.

HOW TO PARTICIPATE

All buyers must register prior to making a bid* at the auction. Registered buyers will receive a buyer number and auction program. All buyers must fill out a Buyer's Agreement Form. Our auction volunteers will help you every step of the way.

1

HOME-USE

An individual may purchase an animal at the auction by placing the winning bid. Your bid price is the amount you pay for the animal. Your designated processor will process the meat. Processing costs are in addition to the purchase cost.

2

SPLIT-BUYING

Form a team of business associates, friends, or neighbors to purchase an animal and divide it between your team members

3

RE-SALE

If you do not wish to keep the meat for personal use, you will pay the bid price and donate the animal back for re-sale at the end of the auction. The re-sale value will go to the Northern Arizona Junior Livestock Association. This provides financial assistance in promoting and conducting the auction, other livestock events, and scholarships.
